other so there is a consistent language used throughout.

Joel pointed out that fathers engaged at conception (and throughout pregnancy) are more engaged

There is a distinction to include functional fathers in addition to biological fathers.

The presentations ended 20 minutes earlier than expected. The state collaborative returned to finish up budget questions with Gail Cormier. After the budget was fully explained, all thought the next step would be to decide how the Becoming Grant \$5,000 assigned to the collaborative should be used. This discussion will be further discussed at the next collaborative meeting as an agenda item on December 9, 2011.

Please Note: The next meeting thereafter will be December 9th. Due to Veteran's Day and Thanksgiving, there will be no meetings in November

These are open meetings - ALL are welcome! [Click Here](#) for directions to [The National Center for Child Traumatic Stress](#).

No November meetings (due to Veterans Day and Thanksgiving)

12/9: PBH may present on their transition to managed care organization
