Bills that did not make the crossover deadline: The bills that have not made the crossover deadline will no longer be tracked on our legislative updates. There is the potential that we could see some of them added onto the Senate budget as that is not out yet. If you know of any bills that did not make the crossover deadline but will be included in the Senate budget, please reach out to us so that we can continue to track them.

Bills that are on the move:

House Bills

[H721](#): Increase Access to Telehealth Services, passed the first Senate reading and referred to the Committee on Rules and Operations of the Senate
