Senate Appropriations Set to Consider Appropriations Act on Tuesday:

The Senate Appropriations Committee has one of the 2021 Appropriations Acts on their agenda for Tuesday at 8:30 a.m. S. 105 is currently a shell of what will possibly become the budget bill. This has been long awaited and could start a process that will likely move quickly through the Senate. As reported earlier, leaders have stated that they hope to complete the bill and have it on the Governor's desk by the end of July. Once the Senate approves a budget proposal, the House will either accept the Senate version—an unlikely action—or amend the proposal and send it back to the Senate.
