No House Budget Yet:

There was some hope that the House would unveil their version of the budget proposal for State Fiscal Years 2021-2022 and 2022-2023 by now, but that hope has not come to fruition. In fact, neither the House nor the Senate have any committee meetings scheduled next week. The slowed pace likely indicates that budget issues are being negotiated behind closed doors and we will see a quick passage in the House once it is published.

Opportunity for Input:

- The Exceptional Children Division of the NC Department of Public Instruction is beginning a new five-year cycle of their State Performance Plan in February 2022. They are offering opportunities for input through 2-hour stakeholder meetings. More information on participation can be found at this [link](#).

Resources:

- Non-Emergency Medical Transportation is funded through Medicaid. NC DHHS recently updated their policy to incorporate Standard Plans. The new policy can be found at this [link](#).
